About the Institute

- Indian Institute of Technology (IIT) Kharagpur

The Indian Institute of Technology (IIT) Kharagpur is a premier Engineering Institution established by the Government of India in 1951 in the State of West Bengal. It was the first of the IITs to be established, and is recognized as an Institute of National Importance by the Government of India. The aim of the Institute is to provide meaningful education, to conduct original research of the highest standard and to provide leadership in technological innovation for the industrial growth of the country.

- Government College of Engineering and Technology, Jammu (GCET), Jammu

GCET Jammu was established in the year 1994 under Department of Higher Education, Govt. of J&K. It is approved by AICTE, New Delhi and affiliated to University of Jammu, Jammu. GCET campus is spread over 869 Kanals of land at Chak Bhalwal, which is 22 Kms. away from Jammu city. The Institute was established with a vision to provide valuable resources for Industry and society through excellence in Technical Education and Research. The Institute offers Engineering UG degree courses in Electronics & Communication, Electrical, Computer, Mechanical and Civil Engineering. The Alumni of this Institute have excelled in various spheres and are positioned very well globally in a number of leading Government, Public Sector & Private Organizations.

Highlights of NCEEITET-2016

The event was attended by more than thousand delegates from all over the country which included students, academicians, as well as the professionals from the reputed Industries/Govt. departments. Student delegates of various prestigious Engineering Institutes of India displayed their innovative projects/working models on the emerging technologies. Besides, the reputed industries like POWERGRID, NHPC, NTPC, JKPC, DRDO, SASE, J K Bank, PFC, IRCON International, Konkan Railways, Chenab Valley Power Projects, Siemens, LARSEN & TOUBRO also displayed their exhibits / innovative ideas promoted by them in the field of technology. Paper presentations, student-industry interactive sessions and the key note speeches by the eminent speakers were an integral part of the event.

About 5th NCEIET

5th NCEIET jointly organized by IIT Kharagpur and GCET Jammu aims to provide the premier interdisciplinary forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the field of various Engineering disciplines and particularly in J&K State. The event would provide an ideal opportunity to the students to display their working models / projects and at the same time would also enable them to interact with the Industry professionals who would also be displaying their State-of-the-Art technologies/ achievements and products at the same venue. Joint paper presentation sessions between the students and Industry professionals would facilitate collaboration between Industry and Academia, as well as the creation of R&D Institutions. Invited Talks by Eminent speakers from Industries / Institutions are the main attractions.
