About the Institute
• **Indian Institute of Technology (IIT) Kharagpur**

The Indian Institute of Technology (IIT) Kharagpur is a premier Engineering Institution established by the Government of India in 1951 in the State of West Bengal. It was the first of the IITs to be established, and is recognized as an Institute of National Importance by the Government of India. The aim of the Institute is to provide meaningful education, to conduct original research of the highest standard and to provide leadership in technological innovation for the industrial growth of the country.

• **Government College of Engineering and Technology, Jammu (GCET), Jammu**

GCET Jammu was established in the year 1994 under Department of Higher Education, Govt. of J&K. It is approved by AICTE,New Delhi and affiliated to University of Jammu, Jammu. GCET campus is spread over 869 Kanals of land at Chak Bhalwal, which is 22 Kms. away from Jammu city. The Institute was established with a vision to provide valuable resources for Industry and society through excellence in Technical Education and Research The Institute offers Engineering UG degree courses in Electronics & Communication, Electrical, Computer, Mechanical and Civil Engineering. The Alumni of this Institute have excelled in various spheres and are positioned very well globally in a number of leading Government, Public Sector & Private Orgaizations.

Highlights of NCEEITET-2016

The event was attended by more than thousand delegates from all over the country which included students, academicians, as well as the professionals from the reputed Industries/Govt. departments. Student delegates of various prestigious Engineering Institutes of India displayed their innovative projects/working models on the emerging technologies. Besides, the reputed industries like POWERGRID, NHPC, NTPC, JKPDC, DRDO SASE, J K Bank, PFC, IRCON International, Konkan Railways, Chenab Valley Power Projects, Siemens, LARSEN & Toubroalso displayed their exhibits / innovative ideas promoted by them in the field of technology. Paper presentations, student –industry interactive sessions and the key note speeches by the eminent speakers were an integral part of the event.

About 5th NCEEITET

5th NCEEITET jointly organized by, IIT Kharagpur and GCET Jammu aims to provide the premier interdisciplinary forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the field of various Engineering disciplines and particularly in J&K State. The event would provide an ideal opportunity to the students to display their working models / projects and at the same time would also enable them to interact with the Industry professionals who would also be displaying their State-of-the-Art technologies/ achievements and products at the same venue . Joint paper presentation sessions between the students and Industry professionals would facilitate collaboration between Industry and Academia, as well as the creation of R&D Institutions. Invited Talks by Eminent speakers from Industries / Institutions are the main attractions.

Thrust Areas

Papers are invited for the conference in the following topics of interest that include, but are not limited to:
- Machine Learning
- Advanced Software Processing
- Optical and wireless Communication
- Big Data & Cloud Computing
- Real Time Analysis
- Power Systems, Power Electronics & Control
- Mechatronics
- Industrial Engineering
- Construction Technology
- Embedded system and applications
- Applied Science

Target Audience / Participants

The conference is open to :
- ☒ Faculty
- ☒ Research Scholars
- ☒ Engineering Students
- ☒ Industry Delegates

Paper Submission/Publication

Full Text Manuscripts in IEEE template should be submitted by one of the authors of the manuscript to gcetnce@gmail.com. Only electronic PDF (*.pdf) file shall be considered for review. Length of the paper is limited upto 6 pages. Submission by anyone other than one of the authors will not be accepted. All the future correspondence shall be done only with corresponding author. The submitted papers will be peer reviewed.
- Selected papers will be published in the Conference proceeding with ISBN No.
- Online publication will be in UGC listed Journals
- Certificates will be issued for Presentation/ Publication

Important Dates

Full Paper Submission	1st Jan., 2018
Intimation of Acceptance	8th Jan., 2018
Last Date for Registration with Fee	15th Jan., 2018

Post Conference Attractions:
- Musical Night
- Jammu Darshan (Hari Niwas Palace, Raghunath Temple, Bahu Fort, Bagh-e-Bahu Aquarium)

Exhibition

Students/Industry Exhibitors are invited to show case their latest Models/Developments/Achievements in their relevant field of technology.
The college shall provide space for installation of stalls free of cost in the premises of Government College of Engineering and Technology, Jammu. Exhibitors may forward a brief profile of the models to be exhibited along with logistics requirements latest by 1st January 2018.

Registration Fee (For Conference)

Delegates from Industry	Rs. 2000/-
Faculty	Rs. 1500/-
Research Scholars/Students	Rs. 800/-
Exhibitors(Industries/ Students)	NIL

Registration Procedure

The registration form can be downloaded from the College website (www.gcetjammu.org.in). The duly filled in registration form along with the registration fees in the shape of Demand Draft drawn from any Nationalized Bank in favour of *"The Principal, Government College of Engineering and Technology"* payable at Ext. Counters GCET ChakBhalwal, Jammu may be sent by Registered Post at the College address given below before **15th January 2018**
The Principal, Government College of Engineering and Technology, Chak Bhalwal, Jammu – 181122 (J&K)

Sponsorship

The Government Departments, Research organisations, Industries, Consultants, manufacturers, suppliers and publishers are invited to sponsor or co-sponsor the event. The names of sponsors, co-sponsors and supporters will appear in the proceedings and displayed at the conference venue.

Awards

Two Best Papers and Two Best Models shall be awarded suitably.
